Areas of Expertise for Government and Commercial Clients

InnoVest Group   **Phone**: 703-250-0399   www.theinnovestgroup.com

Service Oriented Architecture (SOA)

SOA Planning
Roadmap, Project plans
Maturity Models
KPI, SLA, Metric thresholds
Infrastructure & Scalability

SOA Patterns
Legacy Modernization
Service Identification
Cross Agency Data Exchange
Complex Event Processing
Security & Policy Mgmt

SOA Governance
Policies, Procedures, Enforcement
Centers of Excellence
Design & Run Time Governance
Registry/Repository Setup
Service Develop & Management

Component Expertise
BPM, Workflow, Simulation
Semantics & Metadata
Business Activity Monitoring
Business & Composite Applications

Product Expertise
webMethods/Software AG
IBM webSphere
Bea AquaLogic/webLogic
Oracle Fusion, Hyperion
MS BizTalk, Redhat Jboss
Tibco, MetaMatrix, Composite Soft
Lombardi, MetaStorm, Savvion
Business Objects, Cognos
Informatica, Ascential, Sun Seebeyond

Architecture and Business Services

Business Intelligence:
Data Warehousing
Content Management
Data Management

Technology Selection
Product Score-carding
Vendor Evaluation
Functionality Analysis
Requirements Analysis
Weighted Average Analysis

Information Management
Data Management
Information Architecture
Information Governance

Requirements Management
Requirements Modeling
Validation & Verification
Traceability Design
UML, BPMn
Business Models

Enterprise Architecture
IT Investment Management
Portfolio Management
Project Lifecycle
Performance Management
Information Sharing
Process Model & Optimization
Zachman, FEA
DoDAF
Capability-to-Technology Map
Transition Planning

Information Technology Services

Staff Augmentation
Implementation Services
Program & Project Management
Configuration Management

Testing Services
IV&V , Integration Testing
Performance, Stress Security Testing
Test Scripting , Test Automation
Infrastructure Testing

Security
Authentication Authorization
Encryption , Identity Management
Data Protection & Privacy
Policy Management
Information Assurance
Biometrics & Smart Cards

ERP Consulting
Oracle, SAP, JD Edwards
PeopleSoft

Database Consulting
Oracle, DB2, SQL Server , mySQL

Legacy Consulting
Mainframe, COBOL
CICS, IMS, AS/400

Engineering & Programming
Java/J2EE, MS .NET, C++
Open Source: Apache, Ruby, Zope/Plone, Python

Web & Application
Portal & Portlet
Website and App Server
